

Baby Bottle Boomerang – 2026

Bottle Collection Option

Overview & Instructions

Baby Bottle Boomerang raises awareness and financial support for **Safe Harbor Pregnancy Medical Center**. Church members receive specially marked baby bottles to fill with loose change, cash, or checks. Bottles stay in homes for about a month. After they are collected and deposited, Safe Harbor will notify your group of the total amount given.

Timeline

WEEK 1

- Distribute bottles to your members.
- Ask that bottles **not be marked** with stickers, names, or any other labels.
- Encourage participants to keep their bottles in a central place at home to remind them to give and to pray for Safe Harbor's ministry.

WEEKS 2–4

- Bottles remain in homes.
- Continue promoting the program with reminders.

WEEK 4

- Please remind participants to **return all bottles—filled or empty**—so we can reuse them next year.
 - Collect all bottles at your meeting place.
 - The liaison will gather, empty, and return empty bottles to Safe Harbor.
 - Filled bottles are heavy—ensure you have help transporting them.
 - Some people will forget; encourage late returns even if the bottles are empty.
-

Bottle Return and Bank Deposits

Steps for Coordinators

- **Empty all bottles** into a larger container (coffee can, bin, shoebox, ziplock bags, etc.).
Do NOT take any bottles to the bank - use any other containers that you can lift comfortably.
- As you empty bottles, **remove all foreign objects** (foreign coins, buttons, safety pins, tokens, etc.).
- **You do NOT need to count the money.**
- **Label each container** with your church name.
- **Remove all checks** from the bottles and **make copies of all checks** before going to the bank. This is essential so we can properly thank all donors. **PLEASE DO NOT FORGET THIS STEP!**
- Bring the **coins, cash, and checks** (in your labeled containers) to one of the two approved Renasant Bank branches.
- Our Renasant account is listed under: **Sav-A-Life of Northwest FL, dba Safe Harbor Pregnancy Medical Center**
- The bank will:
 - Count the money, prepare a deposit slip, and **give you a receipt**

Bottle Return:

- Return all of the following to Safe Harbor: **Bank receipt**, copies of all checks, all empty bottles
 - When dropping these items off, please tell the volunteer or staff member **which church you are with**.
-

Renasant Bank Deposit Locations (formerly The First)

- Downtown Branch, 39W. Garden Street, Pensacola, FL, 850-434-9400
- Pace Branch, 4885 US Highway 90, Pace, FL, 850-995-9340

Teller Deposit Instructions – Safe Harbor Baby Bottle Boomerang 2026

Instructions for Bank Teller

Thank you so much for the work you do processing our deposits for this event!

- The account is listed under Sav-A-Life of Northwest Florida, dba Safe Harbor Pregnancy Medical Center. The account number ends in 5693.
- Please write the name of the church or organization on the deposit slips. This will allow our Administrative staff to match up the deposits with the specific groups.

Thank you again!
